Lubbock Senior Softball Club
2025 Season Membership

In order to align with the National SSUSA structure, the Board of Directors have voted to change the membership requirements and fees for the 2025 Season. While this initial season under the structure will see a mild increase in dues/Membership Fees, we are working to re-coupe and add value to you under the new structure. The increase will help to offset increased costs with the City of Lubbock, an increased cost of insurance, as well as help start some special programs that we are working on.

The previous three years have seen the Membership Fees at \$60.00 per player. Starting in 2025 the following will be the Senior Softball Club Membership Dues and Player Fees.

2025 Season Membership Dues and Fees

1. Lubbock Senior Softball Membership
Cost - \$25.00 for the 2025 Season.
 - This aligns with the National SSUSA Program.
 - We are working on a Membership Card that will get you discounts around the community for being a member of the club.
 - Currently, we have Capital Pizza in the program, where you will receive a 20% discount at either Capital Pizza Locations in Lubbock. It also gives you ½ price lunch buffet on Tuesdays at the Capital Pizza location at 83rd and Slide (Lakeridge Location).
 - We are looking to add other businesses and are talking to them currently.
 - Your membership is good for both the 50+ League and the 40+ League.
 - A non-player, such as a coach or any other non-playing team member only pays the Membership Dues.

 2. 2025 Player Fees
Cost - \$50.00 for the 2025 Season, both 50+ and 40+ Leagues.
 - This is a \$10 reduction from Previous 3 Seasons.
 - This is for team players only and is not applicable to Coaches or non-playing team members.
 - Helps with the increase costs with the City of Lubbock for the fields.
 - Working on a rewards program for regular season champions, and tournament champions.
 - It will also help generate revenue for special programs to give back to the community. Some examples are giving back to the City of Lubbock Parks and Rec, as well as donations for families of loved ones of our members that pass away, just to name a few that we are working on.
-

In summary:

For Players (in total) the 2025 Season will cost \$75.00 which is less than \$3.75 per game played.

For non-players (in total) the season will cost \$25.00 which is \$35.00 less than last season.

If you are playing in both the 50+ and 40+ Leagues, it will be a \$5.00 increase over last year (combined).

We think this will help us with making a progressive move with the league and provide some programs that will benefit and give back to our members and our community.
